Rules for the letting and occupation of Government residences:

Replacement of electric bulbs.

GOVERNMENT OF BOMBAY.

PUBLIC WORKS DEPARTMENT.

Circular Memorandum No. 3769/36.

Bombay Castle (Bombay No. 1), 25th February 1950.

GOVERNMENT CIRCULAR MEMORANDUM.

Cases have come to the notice of Government in which electric bulbs in Government residential buildings were found missing; and since responsibility for the loss could not be fixed they had to be replaced at Government cost. This is due mainly to the non-observance of rule 17, and the instructions in the note thereunder, of Appendix XVIII of the Bombay Public Works Department Manual, Volume II.

2. Government desires to impress on all concerned that the tenants are in all cases responsible for replacing missing or broken bulbs in Government residences. A tenant who vacates a residential building without giving due notice and handing over charge of the bulbs for which he has accepted responsibility, will be held responsible for making good all bulbs that may be found to be missing or broken subsequently.

3. The Executive Engineers in charge of residential buildings are requested to see that the instructions contained in the note below rule 17 of Appendix XVIII of the Bombay Public Works Department Manual, Volume II, are strictly observed in future: in particular that all incoming tenants sign the list of bulbs and the undertaking.
